**DECLARATION OF BRUCE L. SIMON
IN SUPPORT OF MOTION FOR
ATTORNEYS' FEES, REIMBURSEMENT
OF EXPENSES, AND INCENTIVE
AWARDS**

1 I, Bruce L. Simon, declare and state as follows:

2 1. I am a founding partner of the law firm of Pearson, Simon & Warshaw, LLP
3 (“Pearson Simon”). I submit this declaration in support of Direct Purchaser Plaintiffs’ (“DPP”)
4 joint application for an award of attorney fees in connection with the services rendered in this
5 litigation. I make this Declaration based on my personal knowledge and if called as a witness, I
6 could and would competently testify to the matters stated herein.

7 2. My firm has served as counsel to plaintiff Crago Corporation (“Crago”) and as
8 counsel for the class throughout the course of this litigation. Throughout the litigation, Pearson
9 Simon has been in regular communication with plaintiff Crago to keep it apprised of the progress
10 of the case. The background and experience of Pearson Simon and its attorneys are summarized
11 in the *curriculum vitae* attached hereto as Exhibit 1.

12 3. Pearson Simon has prosecuted this litigation solely on a contingent-fee basis, and
13 has been at risk that it would not receive any compensation for prosecuting claims against the
14 defendants. While Pearson Simon devoted its time and resources to this matter, it has foregone
15 other legal work for which it would have been compensated.

16 4. From the inception of this litigation, Pearson Simon has actively participated in the
17 prosecution of this case. In November 2007, Pearson Simon began researching the CRT industry
18 and investigating illegal, anticompetitive conduct by several of the leading CRT manufacturers.
19 Among other things, Pearson Simon obtained substantial economic data on the CRT industry and
20 retained consultants to review the economic evidence of the alleged conspiracy. On November 26,
21 2007, Pearson Simon and Shughart Thomson & Kilroy, P.C. (now called “Polsinelli”) filed the
22 first direct purchaser Class Action Complaint in the United States District Court for the Northern
23 District of California on behalf of Crago.

24 5. Immediately thereafter, Pearson Simon began coordinating with other plaintiffs’
25 counsel and defense counsel to organize and streamline this litigation. Pearson Simon filed a
26 motion pursuant to 28 U.S.C. § 1407 before the Judicial Counsel on Multidistrict Litigation
27 (“JPML”) for transfer and consolidation of all CRT actions to the United States District Court for
28

1 the Northern District of California. With the support and assistance of Saveri & Saveri, Inc.
2 (“Saveri” or “Lead Counsel”), Pearson Simon was selected by all plaintiffs who favored transfer
3 to the Northern District of California to present oral arguments at the January 30, 2008 hearing
4 before the JPML.

5 6. While the motion for transfer and consolidation was pending, Pearson Simon
6 communicated with counsel concerning the management of the litigation, entered into a stipulation
7 setting a uniform deadline for defendants to file responsive pleadings, and drafted and submitted
8 the initial status conference statement for direct purchasers. Pearson Simon effected service on
9 several U.S.-based defendants and filed motions requesting the issuance of Letters Rogatory to
10 consummate service on the foreign defendants, which the Court granted. Pearson Simon, in
11 coordination with Saveri and other direct purchaser counsel, sent a proposed stipulation to defense
12 counsel whereby service of process in any one direct or indirect purchaser action would constitute
13 service of process in the consolidated direct or indirect purchaser actions, respectively.

14 7. Although Pearson Simon and Saveri were unanimously proposed jointly as interim
15 lead counsel for the proposed DPP class, the Court appointed Saveri only. Following Saveri’s
16 appointment as Lead Counsel, Pearson Simon performed substantive work in numerous areas on
17 behalf, and for the benefit, of the direct purchaser class. Pearson Simon performed these work
18 assignments at the direction of and in coordination with Lead Counsel.

19 8. Pearson Simon has substantial experience in complex antitrust litigation involving
20 price-fixing of high-technology components, having served as co-lead class counsel on behalf of
21 the direct purchaser plaintiff class in *In re TFT-LCD (Flat Panel) Antitrust Litigation*, 07-md-1827
22 SI (N.D. Cal.). Pearson Simon litigated and tried that class action before the Hon. Susan Illston of
23 the United States District Court for the Northern District of California. As the Court is aware,
24 CRTs are the precursor technology to TFT-LCDs, and the cartels for both components involved
25 several of the same corporate defendants and individual participants. The expertise that Pearson
26 Simon developed from the *TFT-LCD* litigation (for example, in areas involving direct purchaser
27 standing under *Illinois Brick*, evidence produced in the *TFT-LCD* matter that was pertinent to the
28

1 CRT litigation, and liability issues) was called-upon regularly by Lead Counsel to assist in the
2 prosecution of this litigation.

3 9. Throughout the course of the litigation, Pearson Simon advised and consulted with
4 Lead Counsel concerning strategic decisions. In 2009, Pearson Simon attended the proffer of the
5 cooperating defendant, and reviewed and analyzed the Glass Meeting minutes that provided an
6 outline of the critical liability evidence in this case.

7 10. Pearson Simon participated in the drafting and editing of numerous pleadings and
8 motions including the Consolidated Amended Complaint, case management conference
9 statements, oppositions to motions to dismiss, the opposition to the motion for summary judgment
10 on *Illinois Brick* issues, the objection to the Special Master's report and recommendation on the
11 motion for summary judgment, and direct purchaser plaintiffs' motion for class certification.
12 Pearson Simon also prepared for and attended several hearings before the Special Master and the
13 Court on discovery matters, case management conferences, and substantive motions.

14 11. Pearson Simon was responsible for many aspects of discovery pertaining to the
15 defendants as a whole. In particular, Pearson Simon assisted in preparing a discovery plan,
16 engaged in negotiations and discussions with other counsel concerning the ESI protocol and
17 deposition protocol, drafted contention interrogatories and other discovery requests, spearheaded
18 negotiations with defendants over the production of their transactional data, and drafted Rule
19 30(b)(6) deposition notices concerning defendants' corporate organizational structures,
20 manufacturing and sales processes, and conspiratorial conduct. Pearson Simon also participated in
21 drafting responses to defendants' discovery requests. In addition, Pearson Simon worked with
22 experts and consultants retained by direct purchaser plaintiffs concerning the discovery and data
23 necessary to prepare a class certification report and damages analysis.

24 12. Pearson Simon was assigned specific responsibility for discovery concerning
25 Samsung SDI Co., Ltd. ("Samsung SDI"), the last defendant to settle with the direct purchasers.
26 Pearson Simon engaged in numerous meet and confers with Samsung SDI over its custodians
27 from whom documents would be produced, reviewed Samsung SDI documents, and prepared for
28

1 and took the depositions of several critical Samsung SDI witnesses including I.H. Song, Michael
2 Son, S.K. Park (which took place in Seoul, Korea), Hoon Choi, and J.Y. Youn. Pearson Simon
3 also assisted co-counsel in preparing to take the depositions of other Samsung SDI witnesses
4 including K.C. Oh and J.I. Lee.

5 13. Pearson Simon actively participated in settlement strategy and settlement
6 negotiations involving several defendants including Panasonic, Hitachi, Samsung SDI, LG,
7 Toshiba, and others. Pearson Simon drafted settlement briefs in connection with these
8 responsibilities. My partner, Clifford H. Pearson, and I had numerous discussions with Lead
9 Counsel concerning settlement strategy, and we reviewed certain defendants' confidential sales
10 data to formulate proper and fair settlement demands. At the direction of Lead Counsel, Mr.
11 Pearson and I met with opposing counsel, attended mediations, and negotiated with defense
12 counsel to obtain settlements that were in the best interests of the direct purchaser plaintiff class.

13 14. Attached hereto as Exhibit 2 is my firm's total hours and lodestar, computed at
14 historical rates, from May 9, 2008 through July 31, 2014. This period reflects the time spent after
15 the appointment of Lead Counsel in the litigation at the instruction of Lead Counsel. The total
16 number of hours spent by Pearson Simon during this period of time was 4,116.35 with a
17 corresponding lodestar of \$2,400,904.75.

18 15. The summary attached as Exhibit 2 was prepared from contemporaneous, daily
19 time records regularly prepared and maintained by my firm. The lodestar amount reflected in
20 Exhibit 2 is for work assigned by Lead Counsel, and was performed by professional staff at my
21 law firm for the benefit of the DPP class.

22 16. The hourly rates for the attorneys and professional support staff in my firm
23 included in Exhibit 2 are the usual and customary hourly rates charged by Pearson Simon.

24 17. My firm has expended a total of \$31,933.57 in unreimbursed costs and expenses in
25 connection with the prosecution of this litigation. These costs and expenses are broken down in
26 the chart attached hereto as Exhibit 3. They were incurred on behalf of the DPP class by my firm
27 on a contingent basis, and have not been reimbursed. The expenses incurred in this action are

1 reflected on the books and records of my firm. These books and records are prepared from
2 expense vouchers, check records and other source materials and represent an accurate recordation
3 of the expenses incurred.

4 18. Pearson Simon also paid a total of \$50,000 in unreimbursed assessments for the
5 joint prosecution of the litigation against the defendants. These assessments are separate from the
6 firm's unreimbursed costs and expenses identified in Exhibit 3.

7 19. Excluded from Exhibit 2 and 3 are the total number of hours spent by Pearson
8 Simon from inception of the case to May 8, 2008 is 588.45 with a corresponding lodestar of
9 \$363,926.25, and total costs for this period of \$6,042.92. Much of this time was spent
10 investigating and bringing the case together with Lead Counsel.

11 20. I have reviewed the time and expenses reported by my firm in this case which are
12 included in this declaration, and I affirm that they are true and accurate.

13 I declare under penalty of perjury under the laws of the United States of America that the
14 foregoing is true and correct. Executed on August 18, 2015 at San Francisco, California.

The firm specializes in complex litigation, including state coordination cases and federal multidistrict litigation. Its attorneys have extensive experience in antitrust, securities, consumer protection, and unlawful employment practices. The firm handles both national and multi-national class actions that present cutting edge issues in both substantive and procedural areas. They are recognized in their field for excellence and integrity, and are committed to seeking justice for their clients.

CASE PROFILES

PSW attorneys currently hold, or have held, a leadership role in the following representative cases:

- *In re Keurig Green Mountain Single-Serving Coffee Antitrust Litigation*, Southern District of New York, MDL No. 2542. In June 2014, Judge Vernon S. Broderick appointed PSW to serve as interim co-lead counsel on behalf of indirect purchaser plaintiffs in this multidistrict class action litigation. The case arises from the alleged unlawful monopolization of the United States market for single-server coffee packs by Keurig Green Mountain, Inc. Keurig’s alleged anticompetitive conduct includes acquiring competitors, entering into exclusionary agreements with suppliers and distributors to prevent competitors from entering the market, engaging in sham patent infringement litigation, and redesigning the single-serve coffee pack products in the next version of its brewing system to lock out competitors’ products.
- *In re Credit Default Swaps Antitrust Litigation*, Southern District of New York, MDL No. 2476. PSW attorneys represents the Los Angeles County Employee Retirement Association (“LACERA”) in a class action on behalf of all purchasers and sellers of Credit Default Swaps (“CDS”) against thirteen of the world’s largest banks. The

PEARSON, SIMON & WARSHAW, LLP

lawsuit alleges that the banks along with other defendants who control the market infrastructure for CDS trading have conspired for years to restrain the efficient trading of CDS, thereby inflating the cost to trade CDS. The alleged antitrust conspiracy has resulted in economic harm in the tens of billions of dollars to institutional investors such as pension funds, mutual funds, and insurance companies who use CDS to hedge credit risks on their fixed income portfolios. The action has been consolidated with nine other class action lawsuits that are assigned to the Honorable Denise Cote of the Southern District of New York. On December 13, 2013, Judge Cote appointed Pearson Simon as Co-Lead Counsel for the plaintiff class and its client, LACERA as lead plaintiff for the class.

- *In re Lithium Ion Batteries Antitrust Litigation*, Northern District of California, MDL No. 2420. PSW attorneys currently serve as interim co-lead counsel for direct purchaser plaintiffs in this multidistrict class action litigation arising from the price-fixing of lithium ion batteries. The case involves allegations of collusive activity by a cartel made up of the world's largest manufacturers of lithium ion batteries, which are used in everything from cellular phones to cameras, laptops and tablet computers. PSW filed one of the earliest cases on behalf of the direct purchasers and successfully argued before the Joint Panel on Multidistrict Litigation ("JPML") for consolidation of the cases in the Northern District of California. PSW, along with its co-counsel, organized a leadership structure of three firms, winning appointment by Judge Gonzalez Rogers as co-lead counsel for the putative class of direct purchasers on May 17, 2013.
- *In re TFT-LCD (Flat Panel) Antitrust Litigation*, Northern District of California, MDL No. 1827. PSW partner Bruce L. Simon served as co-lead counsel for the direct purchaser plaintiffs in *In re TFT-LCD (Flat Panel) Antitrust Litigation*, a multidistrict litigation arising from the price-fixing of thin film transistor liquid crystal display panels. Worldwide, the TFT-LCD industry is a multi-billion dollar industry, and many believe that this proceeding was one of the largest price-fixing cases in the United States. Over \$405 million in settlements had already been approved before trial. Mr. Simon served as co-lead trial counsel, successfully marshaled numerous witnesses, and presented the opening argument. On July 3, 2012, PSW obtained a jury verdict of \$87 million before trebling against the sole remaining defendant in the case, Toshiba Corporation and its related entities. PSW later settled with Toshiba and AU Optronics to bring the total to \$473 million in settlements. In 2013, California Lawyer Magazine awarded Mr. Simon a California Lawyer of the Year Award for his work in the *TFT-LCD case*.

In an 8-0 decision, the *en banc* panel reversed the first panel decision and affirmed the denial of Defendants' motion to dismiss. *Minn-Chem, Inc. v. Agrium Inc.*, 683 F.3d 845 (7th Cir. 2012). On June 12, 2012, the Court approved a \$90 million class settlement on behalf of direct purchaser plaintiffs.

BRUCE L. SIMON

Bruce L. Simon has led Pearson, Simon & Warshaw, LLP to national prominence. Mr. Simon specializes in complex cases involving antitrust, consumer fraud and securities. He has served as lead counsel in many business cases with national and global impact.

In 2013, Mr. Simon was chosen as one of the Top 100 attorneys in California by the Daily Journal. He received a CLAY award from California Lawyer magazine as one of the attorneys of the year for his work in the *In re TFT-LCD (Flat Panel) Antitrust Litigation* trial and settlements, and was also selected as one of the seven finalists for Consumer Attorneys of California's Consumer Attorney of the Year award. Mr. Simon was included in the Top 100 for Super Lawyers, and has been selected as a Super Lawyer ten years in a row. He also received a Trial Lawyer Excellence award in Chicago from the Law Bulletin for the settlement reached in *In re Potash Antitrust Litigation (II)*. He has attained Martindale-Hubbell's highest rating (AV) for legal ability and ethical standards.

Mr. Simon was co-lead class counsel in *In re TFT-LCD (Flat Panel) Antitrust Litigation*, a case where he and the firm obtained \$473 million in settlements. He was also co-lead trial counsel in that case and obtained an \$87 million jury verdict before trebling. *TFT-LCD* is considered to be one of the largest antitrust MDL class actions in the United States.

Mr. Simon was also co-lead counsel in *In re Potash Antitrust Litigation (II)*, a case which challenged a decades old international cartel that controlled one of the primary ingredients in fertilizer. The case resulted in \$90 million in settlements for the direct purchasers. Before the case settled, a panel of the Seventh Circuit reversed the trial court's upholding of the complaint. However, the Seventh Circuit later granted plaintiffs' counsel's *en banc* petition. The *en banc* panel issued a unanimous 8-0 decision denying the defendants' motion to dismiss. The opinion issued by the Court is one of the most significant decisions regarding the scope of international antitrust conspiracies.

PEARSON, SIMON & WARSHAW, LLP

Mr. Simon also recently represented a generic brand drug company in an individual case alleging that the brand name manufacturer had filed false citizens petitions to delay the entry of the generic drug unto the market. The case resulted in a significant confidential settlement right before trial.

SENIOR COUNSEL

GEORGE S. TREVOR

George S. Trevor has focused his practice for the past 26 years representing investors in securities class actions, securities arbitrations and complex business litigation. Since joining Pearson, Simon & Warshaw, LLP in 2009 as Senior Counsel, Mr. Trevor has been the senior attorney on a number of the firm's important cases. Those include *In re Lehman Securities and ERISA Litigation*, where the firm represents California public entities that purchased Lehman securities prior to its bankruptcy. In 2012, Mr. Trevor was lead trial counsel for the City of South San Francisco in a suit challenging the California Board of Equalizations' long-standing interpretation of the Bradley-Burns Local Sales Tax Act. Following a months' long bench trial in the San Francisco Superior Court, Mr. Trevor obtained a judgment ordering the BOE to revise its practices in the allocation of local sales tax.

Mr. Trevor also represents bankruptcy trustees as special litigation counsel against former directors, professionals and financial institutions, and recently obtained a substantial settlement on behalf of an investor plaintiff class against a national bank alleged to have aided and abetted a Ponzi scheme.

Prior to joining Pearson, Simon & Warshaw, LLP, Mr. Trevor was managing partner of Trevor & Weixel LLP. Mr. Trevor's significant cases at Trevor & Weixel included a class action brought on behalf of former employees of Eel River Sawmills. Mr. Trevor was instrumental in obtaining a \$5 million settlement for a class of approximately 400 workers who had lost significant amounts promised to them under the company's Employee Stock Ownership Plan. Mr. Trevor was lead trial counsel in a multi-claimant securities arbitration against a brokerage firm tried in New Orleans in 2007-2008. Following twenty days of hearing and immediately prior to the panel's decision, Mr. Trevor negotiated substantial settlements on behalf of all claimants.

Mr. Trevor also practiced for 11 years Gold & Bennett. Among his cases there was a class action brought on behalf of the former shareholders of the Pacific Lumber Company. In 1985, Charles Hurwitz launched a hostile takeover of Pacific Lumber. Mr. Hurwitz, assisted by Michael Milken and Ivan Boesky, succeeded in forcing a shareholder buyout at \$40 per share. The class action complaint alleged that the buyout was obtained through the dissemination of fraudulent offering materials to shareholders. On the eve of trial, Mr. Hurwitz agreed to a \$52 million settlement. Combined with other settlements, the Pacific Lumber shareholders received over \$140 million in additional compensation for their shares, one of the largest recoveries in securities litigation at the time. Mr. Trevor was also instrumental in the recovery of \$19.2 million by the shareholders of Digital Microwave Corporation. Mr. Trevor has litigated cases against hedge funds, real estate limited partnerships, software and hardware companies, alternative energy companies and accounting firms, among others.
